Edition Overview

University of Pretoria (Gibs), South Africa

Welcome to the competitive Fact File for the 7th edition of the QS Executive MBA Ranking, brought to you by the QS World University Rankings team.

Executive MBA programs bring together seasoned professionals from a variety of industries, functions, and world regions. The degree integrates students with a melting pot of experiences and perspectives that support the advanced curriculum. With more study options available than ever before, QS is committed to surfacing quality EMBA programs for global candidates. In this edition of the ranking, we again have had record participation. This year we have 227 Executive MBA programs participating, up from 220 global Executive MBA programs last year.

Result tables will be published for the millions of prospective students on TopMBA.com to explore opportunities in the following regions:

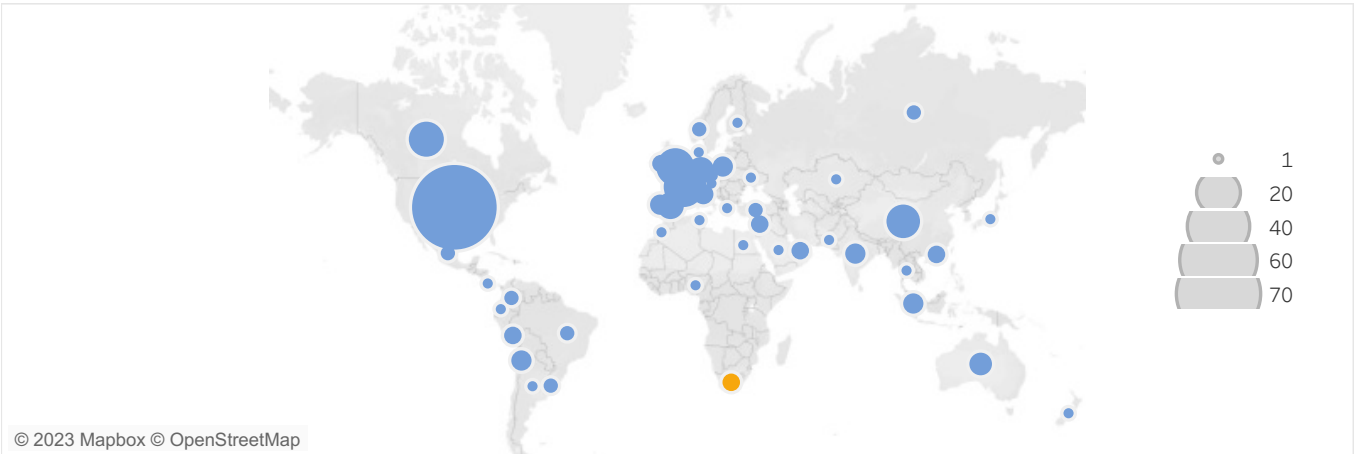

- **Global (excluding joint programs)**
- **Joint Programs**
- **Asia Pacific**
- **Europe**
- **Latin America**
- **North America**
- **Middle East/Africa**

As usual we have analysed joint programs separately as they tend to be distinct in terms of time commitment, internationalization, and cost.

In addition, we engage with individuals around the world who are interested in earning EMBA degrees through a series of webinar and face-to-face events. If you have questions on this report or want to discuss ideas for further collaboration, please feel free to reach out to us at support.qs.com.

61,870 Employer Nominations	48,378 Academic Nominations
227 Considered Programs	49 Locations Covered

Global Distribution of Published EMBA Institutions (Including Joint)

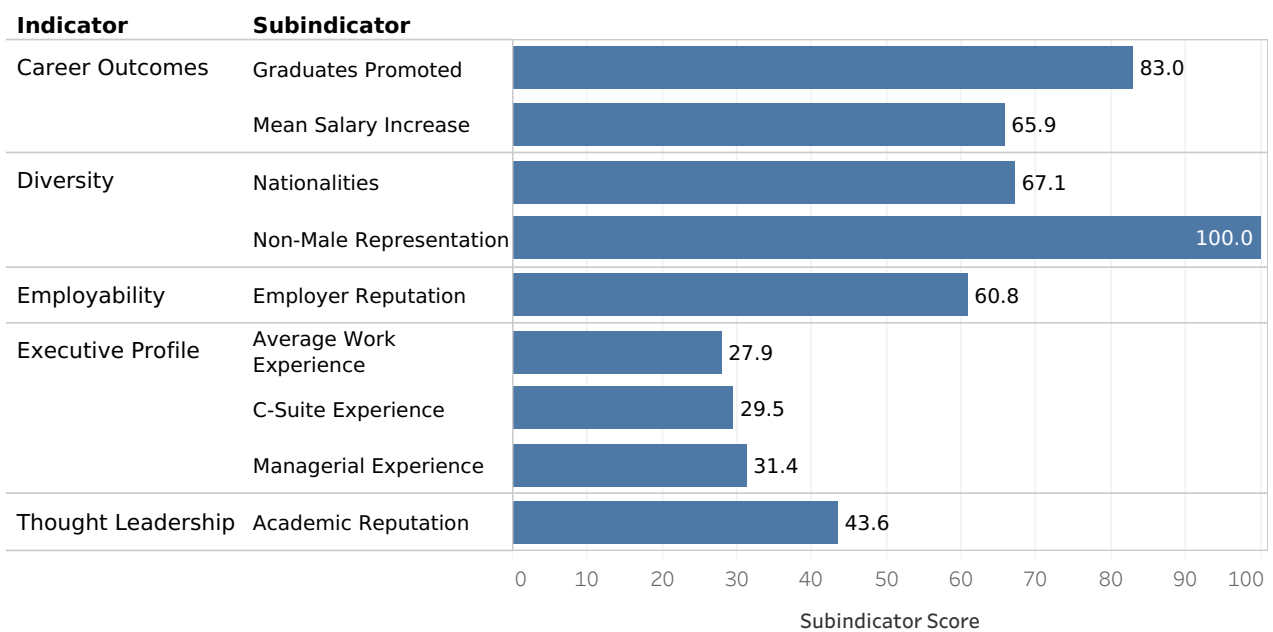

Methodology: Performance Lenses and Weightings

Career Outcomes	Career outcomes are measured by the average salary increase (10%) Pre to post program and the percent of the class receiving promotions within 12 months of graduating (10%)	20.0%
Diversity	Student gender (5%) and nationality diversity (5%) within a program.	10.0%
Employer Reputation	Taken from the annual QS Employer Reputation survey, designed to evaluate the perceptions of global employers on which institutions are providing the most job-ready graduates. More information: https://support.qs.com/hc/en-gb/articles/4407794203410	30.0%
Executive Profile	The executive profile of an EMBA program is calculated by examining the average years of overall work experience (5%) Average years of work experience at the managerial level (5%) Percent of class with c-suite experience (5%)	15.0%
Thought Leadership	Taken from the annual QS Academic Reputation survey, designed to evaluate the perceptions of global academics on which institutions are demonstrating academic excellence. Learn more on: https://support.qs.com/hc/en-gb/articles/4405952675346	25.0%

QS

QS Stars, a yardstick of international academic standards

QS Stars is a rating system providing your institution with an overall score, as well as ratings in 14 categories, which you can use to promote your brand on an international scale. Since its launch in 2010, the QS Intelligence Unit has rated over 600 institutions in 70 countries with QS Stars.

Drive institutional development

Improve performance in key areas

Enhance brand recognition

Attract prospective students

For more information, please visit:

qs.com/solutions/research-intelligence/qs-stars

The new QS Stars rating system further recognises NTU's strengths as a world university across a broader set of criteria than can be measured in any ranking system and provides information for our many stakeholders – current students, prospective students, parents, teachers, employers and fellow academics, as well as our local community

Bertil Andersson, President of Nanyang Technological University, Singapore
